

R.M. of Browning No. 34

Council Supervision

Policy No. 100-2

March 5, 2012

Subject:	Council Supervision
Type:	Council
Authority:	Approved by Council: March 5, 2012

Council Supervision

Council supervision and travel shall be paid at the set rate as established in the municipality's Rates and Appointments reviewed annually.

Each council member shall be entitled to fifteen (15) days supervision per calendar year to be paid on a monthly basis as submitted by each member along with applicable travel; and that if any days remain owing at year end, they shall be paid at the December meeting.

Each council member that has road construction in their division in a calendar year that requires additional supervision due to engineering, road widening, crop damage, etc. be granted one (1) day supervision per mile of road constructed plus applicable travel.
