Authority:	Approved by Council: November 5, 2014

Road Construction/Maintenance Signage Policy

A Policy of the Rural Municipality of Browning No. 34 regarding minimum signage during road construction/maintenance as follows:

1. When R.M. employees are working on any road, they shall provide signage as follows:
 - a. "Construction Ahead" sign 400 meters in advance followed by a "Workers Present" sign and a "Maximum Speed of 30 km/hr" sign.

2. When a road closure is required:
 - a. "Road Closed" sign shall be set up 400 meters in advance, followed by "Detour" signs to be posted on the detour route.
