

**R.M. of Browning No. 34**

**Snow Plowing Policy**

**Policy No. 400-17**

**January 11, 2017**

Subject:	Snow Plowing Policy
Type:	Transportation
Authority:	Approved by Council: January 11, 2017

**Policy on Snow Plowing**

A Policy of the R.M. of Browning No. 34 regarding the plowing of snow on municipal roads.

**Purpose**

The purpose of this Policy is to set a proposed route to plow snow.

The R.M. of Browning No. 34 employees will make every effort to follow the Policy as close as possible in order for ratepayers to know which roads will be plowed first, as follows:

1. School bus routes and Primary Grids 604 and 605 will have first priority;
2. Farm residences will have second priority to a main access. This will not necessarily be the shortest or most used route.
3. Oil roads and secondary roads will have last priority
