R.M. of Browning No. 34

Policy No. 400-24 Lay Down Areas

October 14, 2021

Lay Down Areas

1. The R.M. in consultation with the contractor shall locate suitable areas to be used as a lay down area for equipment during road constructions or road repairs.
2. The R.M. representative shall consult with and sign an access agreement with the landowners of the proposed lay down areas.
3. The R.M. shall be responsible for the compensation for lay down areas which will include crop damage as per Policy No. 400-5 and ensure that the lay down areas are restored to its original state.
